### Ducks Away Conversation with Mem Fox & Judy Horacek

#### Event Info

Collaboration can be hard; it takes a special kind of mutual respect, an enormous amount of flexibility and, of course, a lot of trust.

Mem Fox and Judy Horacek—the pairing that brought the world *Where Is the Green Sheep?*, *Good Night, Sleep Tight* and *This & That*—represent the most fruitful kind of creative team. In a special event tailored for parents, teachers and librarians, they'll share the secrets that make their collaboration work and introduce you to their latest book, *Ducks Away!*

From industry gossip to practical advice on how to encourage reading in young children, join Mem and Judy for a rare glimpse into their creative partnership—and the world of children's publishing.
