

## Assembly Awards June 16, 2017

### **Prep/1BE**

Marlie - for working hard to improve her handwriting - with great success!

Patrick - for confidently and proudly speaking to the class about his observations at the science centre during Investigation Time.

### **Prep /1P**

Brody - for becoming more creative with ideas in his writing. He is able to spell a large number of high frequency words correctly and is now able to use various spelling strategies to spell unfamiliar words.

Siennha - for consistently trying her best when completing all learning tasks. She is showing great improvements particularly in her writing. Keep up the terrific work!

### **1/2B**

Joshua - All the extra time and effort you have put in this term has certainly paid off. Well done on the huge leap you have taken in your reading levels, Josh, and keep up the hard work.

Alice - for going above and beyond when it comes to writing. You work so hard during class to create imaginative and thoughtful stories as well as doing extra writing pieces at home.

### **2/3P**

Chloe - for your persistence and hard work with your reading. Like many challenges, reading takes practise for it to become easy. Well done, Chloe! Now it is time to really enjoy being taken to far away places!

Luke - for your clever writing during our Writer's Workshop. I really enjoyed your dream story and I am looking forward to reading more of your tales. Keep up the great work, Luke!

### **3/4D**

Blade - for the spectacular effort you put into the swimming program. You tried your best and had a big smile on your face while doing so! The progress you made was exciting to watch.

Tyson - for putting so much effort into your Notebook Writing and applying new skills, including using dialogue, when creating new writing pieces.

### **4/5K**

Charlea – for always being a responsible young lady and a conscientious worker.

Zack – for having a mature attitude to taking responsibility for his own learning and being a conscientious worker.

### **5/6F**

Tyler – for showing improvement when demonstrating a range of vertical addition strategies with carrying.

Amber – for her dedicated attitude towards completing all Science tasks related to our recent wheat seed salinity experiments.

### **5/6H**

Imogen – I am so amazed at your magnificent work habits during all learning tasks. I am particularly impressed with your learning about Yemen, and how you have compared it to Australia. Well done!

Noah – I am so impressed with the improvements you have made to your work habits. It is so pleasing to see you try you best, seek help on tasks and then take on board ways to improve your learning. Keep up the good work!
