

Midnight Feast

By Margaret Wild & Ann James

**The book Midnight Feast is a really good children's book.
There are a lot of reasons why I enjoyed it.**

- 1. The illustrations are really amazing and super realistic.**
- 2. All the pictures are colourful and bright.**
- 3. It is a bit funny when the babies sneak out and have a party.**

**They are some of the reasons why I enjoyed the book but that is not all
there are a lot more.**

**I wouldn't recommend that you read it to older children as a short
story because it is more for younger children like Grade 3 and under.**

**Margaret Wild and Ann James make a really good team because the
illustrator and the author make the pictures and the writing really
related.**
