

I'm doing a book review about the BFG by Roald Dahl.

I think you should read the BFG because it's really good. That's why I picked this book. It is very exciting. The book has good words and it is funny. He makes up words that aren't real.

I liked it when the BFG snatched Sophie from the bed then after a while one of the giants came in the cave. The giants don't like "human beans" so the BFG hid her in a pot that was on the table. Then she hid in a "snozzcumber". She was lucky that she didn't get eaten. There are some other cool things like "frobscottle" and they visit the queen! I would read it again.
