

# ROAD SAFETY BIKE PARK

PIONEER PARK, 17 THOMAS ST, EAST DEVONPORT

## A FUN & SAFE ENVIRONMENT WHERE KIDS CAN LEARN ROAD SAFETY

This bike park is an area for children to learn to ride bikes in a safe environment. A mock road complete with give way, stop signs and traffic lights is a fun way to help teach your children basic road safety skills.

This park was a joint initiative between the East Devonport Bike Park Community Committee and Devonport City Council and opened in 2017.

## A FAMILY FRIENDLY PARK

Pioneer Park also features public bbq and picnic facilities, public toilets and a skate park, with plenty of nearby on-street parking and local shops.
