

INFO SESSION

___ ALL WELCOME ___

Have you ever thought about study, but don't know what, how, where?

Have you ever wanted to go to Uni, but thought you couldn't because you didn't finish high school?

Are you bored?

Do you want to start a new career, but don't know how to get the qualifications you need?

Do you think University is for 'other' people?

There are MANY options for people who want to study but don't know where to start, or even if they can.

Come along to this info session to meet Jamie from the University College to discuss pathways to further education.

WEDNESDAY 4th APRIL 2018, 9:30-10:30am

At the East Devonport Community House, 106 David Street

This invite extends to Year 12 leavers, mature age students and/or anyone with an interest in further education. The University College programs are a great option if you didn't meet the entry requirements for your chosen bachelor degree, or if you want to commence your study in a flexible and supportive learning environment.

The most popular pathways program is the University Preparation Program – commonly known as UPP.

Jamie will be at the House on the **FIRST MONDAY** of each month from 9:30-10:30am. He is available to discuss your options and can assist with the enrolment process. This is a fantastic opportunity to explore your future study options with someone who has 'been there and done that.'
