

## My Book Review

I have read a book called **Mr Stink** by **David Walliams**  
This book is my favourite book because it is funny and  
makes me ask questions.

It is about a man named **Mr Stink**. He is a lonely man  
who always sits on a bench in town. Nobody ever has a  
chat with him until one day a young girl named  
Chloe comes by. Chloe is lonely too and they become  
friends. Chloe desperately wants to keep him in her  
house so he does not have to sleep outside any more  
so she hid him in the shed from her family

My friends and I love this book and think it is amazing.

This is why you should read  
**Mr Stink** by **David Walliams**
