

AFTER SCHOOL PROGRAMS

Devonport & Burnie

Our After school Programs give young people with NDIS funding the opportunity to make new friends, be part of the community, learn and have fun in a supportive environment.

We offer a wide range of activities to cater to individual needs that also support young people to learn new skills and develop independence. Our experienced staff are able to support young people to achieve educational, recreational and social goals.

*Support can be provided to young people in a range of settings including but not limited to **in- home support**, in the **community** or in **our centre**.*

DETAILS:
