Breaking News

On Thursday the 4th of May at 44 Hillcrest Rd a fire appeared and no one knew why it started. 13 days later a fire started at 47 Hillcrest Rd. The firefighter asked the 3 people in the house "Has anyone been in your house today?" They said "umm yes" A friend. "Did they go to the loo?" "Yes, 4 times! Why?" "Because the fire started in the loo" "WHAT" said the family. The fire fighter asked more questions what did he look like? What was his name?

It was a weird thing, the fire was very small and the person got arrested and there were no more fires. by chloe

A firefighter was called to the scene
And then he found out it was 450 degrees
He ran out through the wall
And wasn't a firefighter anymore
He couldn't think of any job in the world
Until he found out how to weld
He lived a happy life
With three children and a wife

How the fire stops

The Dad and Mum and three kids are all boys. They live in a two storey house. A fire starts in one of the boys bedrooms. He woke up and woke all of the others and they ran outside. The dad rang the fire Brigade The firefighters ran up the steps and put out the fire in the boys bedroom.
