

● INTERNATIONAL MENS DAY November 19

Join MC Daryl Connelly for an luncheon of inspiration, motivation and a chuckle as we celebrate the efforts of men in Devonport on International Men's Day.

Hear from three local men about their journeys as well as their insights on how to succeed in all aspects of life.

www.devonporttickets.com.au

Dominic has been working in the Tasmanian Health Service for the past 14 years and his passion is men's health. His role is to support individuals and families with a health condition. He was heavily involved in the set up of the Devonport Men's Shed and Men's Resources Tasmania. He also coordinates the "PitStop" program across the coast highlighting important health issues in a fun way. Dominic also runs a small business via the Antique Emporium and online selling toys and collectables.

Justin has been involved in the finance industry since 1984. He has held senior positions within the Banking and Mortgage Sector and is a former State President of the Mortgage and Finance Association of Australia and National Board member. He is a Fellow of the Mortgage & Finance Association of Australia and is a Graduate of the Australian Institute of Company Directors. Justin is the Managing Director of Local Finance Brokers Lending4U. He is also President of the East Devonport Football Club.

James has had over 10 years in the Real Estate Industry and over that time has gone from sales into management and eventually into owning his own Agency. After spending time owning a Franchise business, he chose to sell out and start his own independent brand, Hudson365. The direction of his new business is to create a legacy and build something that was not only about selling houses, but "to give back to the community so we can all thrive".

Daryl joined Cradle Coast Authority in mid-2018 as Regional Economic Development Manager and was then appointed as CEO in December 2018 to oversee a period of organisational reform, including a renewed focus on economic development and council collaboration. He holds a Master of Business from the University of Tasmania and is a graduate of the Tasmanian Leaders Program.
