THROUGH EACH OTHER'S EYES

Community members in Devonport and Minamata (Devonport's Sister City) are invited to share a photo of something you love about your city (this could include a photo of an original art work).

Add a short description about what it is, and why you love it. This will then be translated into Japanese, exchanged digitally with Minamata and select photos will be displayed as part of an exhibition within Devonport Regional Gallery and Bass Strait Maritime Centre.

Either email your image and explanation to
marketingandpromotions@devonport.tas.gov.au
or submit via our online form: www.devonport.tas.gov.au/visit-devonport/arts-culture-heritage/through-each-others-eyes/

Please submit by 11 October 2021

You will be notified when the project is available for viewing on the Council website and in the Devonport Regional Gallery and Bass Strait Maritime Centre.
