

PICCOLO PROGRAM

2022

The Piccolo Program is for students in Grades 1-3, and in 2022 will meet for rehearsal at Reece High School on **Wednesday afternoons between 3.15 and 4.00 pm**, under the direction of Ms Carine Kruger. Parents are welcome to stay during practices and observe their child having musical fun.

This enrichment program aims to develop early musical skills through:

- Learning songs
- Movement to music
- Playing musical games
- Starting to learn how to play the recorder
- Playing percussion instruments
- Performing for parents
- Performing at one carefully chosen public event once per year

Students do not have to show an early aptitude for music to join this group. The development of cognitive response, creativity, co-ordination and problem-solving are life skills as well as preparation for possible future involvement in musical activities such as individual music lessons, bands and choirs.

WHAT IS THE COST?

Piccolo Annual Membership: \$150

WHAT ARE THE BENEFITS OF PARTICIPATION IN VOCAL AND INSTRUMENTAL TUITION?

- Enhanced physical health and coordination
- Enhanced mental and emotional health
- Strong social bonds with fellow ensemble members
- Increased self-confidence and emotional resilience
- Increased attention span and focus
- Development of commitment, team work and responsibility
