

Book Fairs

Online payment for Parents

How does it work?

Online payment for parents works like virtual cash! You don't have to give your kids real money to spend on the Book Fair, instead you send the *wish list* with your payment details.

Important to know

- *Please refer to your Book Fair invitation, or contact your school, to confirm the details of your upcoming Book Fair.*
- *After your payment has been accepted, you will be given an 8-digit receipt number. Please record your receipt number in the space provided on the wish list.*
- ***Please note that making a payment does not order your child's books. If the book is not available at the fair anymore, we can reorder this item once the fair is finalized.***
- *All the books from the Book Fair can be reordered. Novelty items (erasers, pens, sharpeners, etc), posters and wacky packs cannot be reordered. We suggest to choose something else for the same price*
- *You can only pay for books from the Book Fair. To order books from Book Club, please go to your LOOP app.*

Important to note

Book Fairs are the perfect instance for children to have the freedom to pick their own books! That's why this kind of payment is not for any book in particular, this payment represents virtual cash.
