CHAT AND CHOOSE:

Jenine, one of our wonderful Early Childhood trained educators at Inside Out 4 Kids spent the morning with Chat & Choose Baptist group in Launceston. She had asked them to help us with some of the special heart-felt gifts for the children who attend our small group sessions. Worry Dolls are given to each small group participant to help them with one of the strategies they work on in the group. These amazing ladies made 82 scarves for our class teddies and 50 Worry Dolls over the past 8 weeks.

What a kind contribution these ladies have made for children in Northern Tasmania!
